B — 9¾ " " 6¾ "
C — 7¼ " " 7¼ "

For Prices of Wood and Fittings see current Catalogue, or on application.

Instructions for Cutting.

Having pasted down the designs to the 3/16in. wood proceed to cut all interior decoration. Now clean up the underneath surface of the wood, not the face bearing the paper pattern, and glue to this face the ⅛-in. linings or backs. Complete the mats by cutting through the two woods together to the outline. This method ensures a perfectly clean edge all round. Glue and pin the feet to the backs in positions shown.
